

ASSOCIATION FOR EUROPEAN CARDIOVASCULAR PATHOLOGY
9TH BIENNIAL MEETING
 CAMBRIDGE, UK AND ONLINE
 16TH-18TH SEPTEMBER 2021

Day 1 – Thursday 16th September 2021

| | |
|--------------------|--|
| 9:00-10:00 | <i>Registration, Lecture theatre foyer, tea/coffee served</i> |
| 10:00-10:20 | Welcome and opening ceremony, lecture theatre (LT) |
| 10:20-12:30 | Olsen-Gourley Symposium: The hypertrophied heart |
| 10:20-10:45 | Myocardial hypertrophy <i>in vivo</i> : use of imaging studies. Lynne Williams, Cambridge |
| 10:45-11:10 | Distinguishing physiological and pathological hypertrophy in athletes. Sanjay Sharma, St George's, London |
| 11:10-11:35 | Cardiac hypertrophy at autopsy: physiological or pathological? Cristina Basso, Padua |
| 11:35-12:00 | Pathways of hypertrophy in cardiac myocytes. Martin Goddard, Cambridge |
| 12:00-12:20 | Unusual and secondary causes of hypertrophy. Mary Sheppard, St George's London |
| 12:20-12:30 | Panel discussion |
| <i>12:30-13:20</i> | <i>Lunch, Hall</i> |
| 13:20-14:00 | Oral presentations x4 |
| 14:00-14:45 | Keynote lecture I: Virtual histology, biomechanics, myocardial infarction and sudden cardiac death. Martin Bennett, Cambridge |
| 14:45-16:40 | Key topics in Cardiovascular Pathology in association with the UK Cardiac Pathology Network |
| 14:45-15:45 | Assessing quality in cardiovascular pathology. Martin Goddard, Cambridge -Discussion of EQA slide set -How do we assess quality? |
| <i>15:45-16:15</i> | <i>Coffee and cake</i> |
| 16:15-16:40 | How to dissect the heart, including the conducting system. Kim Suvarna, Sheffield |
| 16:40-18:00 | Symposium II: Genetics and heart disease |
| 16:40-17:05 | Insights into atherosclerosis from population genetic studies. Adam Butterworth, Cambridge |
| 17:05-17:30 | European recommendations on Postmortem genetic test in sudden cardiac death. Katarzyna Michaud, Lausanne |
| 17:30-18:00 | Genetics of aortic disease. Dr Sarju Mehta, Cambridge |
| 18:00 | <i>Council meeting via zoom</i> |

Day 2 – Friday 17th September 2021

| | |
|--------------------|---|
| 9:00-9:40 | Keynote lecture II: The pathology of cardiac pathology. Pradeep Vaideeswar |
| 9:40-11:00 | Symposium III: Global perspectives - cardiac pathology in an interconnected world |
| 9:40-10:05 | Cardiac amyloidosis across ethnic groups. Philip Hawkins, London |
| 10:05-10:35 | HIV and the heart. Ntobeko Ntusi, Cape Town. |
| 10:35-11:00 | Haemoglobinopathy and the heart. Dudley Pennell, London |
| <i>11:00-11:30</i> | <i>Coffee break</i> |
| 11:30-12:00 | Oral presentations x3 |
| 12:00-12:30 | Annual General Meeting of the AECVP |
| <i>12:30-13:15</i> | <i>Lunch</i> |
| 13:15-14:00 | Keynote lecture III: The heart of Leonardo: Da Vinci at five hundred (and two). Francis Wells, Cambridge |
| 14:00-14:30 | Oral presentations x3 |
| 14:30-16:45 | Key topics in cardiovascular pathology in association with the UK Cardiac Pathology Network |
| 14:30-15:15 | How do we train in cardiovascular pathology? |
| <i>15:15-15:45</i> | <i>Coffee and cake</i> |
| 15:45-16:45 | What is it? Interactive case studies |
| 16:45-17:45 | Michael J Davies Distinguished Achievement Award Lecture: The pathology of medical education. Patrick J Gallagher, Bristol |

Day 3 – Saturday 18th September 2021

| | |
|--------------------|---|
| 9:00-10:10 | Symposium IV: Updates on advanced heart failure and transplantation |
| 9:00-9:25 | Update on antibody mediated rejection. Jean-Paul Duong-Van-Huyen, Paris |
| 9:25-9:45 | Pathophysiology of haemorrhage in VAD patients. Martin Besser, Cambridge |
| 9:45-10:10 | Heart failure with preserved ejection fraction. Sai Bhagra, Cambridge |
| 10:10-10:40 | Oral presentations x3 |
| <i>10:40-11:10</i> | <i>Coffee</i> |
| 11:10-12:30 | Keynote lecture double bill – Adult congenital heart disease |
| 11:10-11:50 | The changing landscape of adults with congenital heart disease. Michael Gatzoulis, London |
| 11:50-12:30 | Autopsy in adults with congenital heart disease. Annalisa Angelini, Padua |
| 12:30-13:00 | Prize giving Installation of President Closing ceremony |
| <i>13:00</i> | <i>Farewell lunch</i> |
